Product Discontinuation Notice (SEB9A and SEB9AY)

Dear Valued Customers,

We would like to inform you that our SEB9A and SEB9AY products will be discontinued **effective July 31st 2018.**

After the effective date, the discontinued product will no longer be in production.

While we regret any inconvenience this may cause, we are eager to provide you with a comparable product. If you are seeking a direct interchange product, our SEBS9A and SEBS9AY Series is the alternative option.

We appreciate your business and support and look forward to serving you in the future.

Thank you
