

June 2018

Product Discontinuation Notice (SSP80, SSP80L, SSP100 and SSP100L)

Dear Valued Customers,

We would like to inform you that our SSP80, SSP80L, SSP100 and SSP100L products will be discontinued **effective December 28th 2018**.

After the effective date, the discontinued product will no longer be in production.

While we regret any inconvenience this may cause, we are eager to provide you with a comparable product. If you are seeking a direct interchange product, our SSP80A, SSP80AL, SSP100A, and SSP100L Series is the alternative option.

We appreciate your business and support and look forward to serving you in the future.

Thank you

Sincerely,

Toru Yamazaki
President, Nippon Bearing Co. Ltd
